v.	:	Case No. 7:20MC00003

WILLIAM A. WHITE	:	

UNITED STATES' RESPONSE TO MOTION TO UNSEAL SEARCH WARRANTS

William A. White has filed a motion to unseal two search warrants issued by this Court on May 2, 2008 and August 21, 2008. Mot. At 1, Case No. 7:20MC3, ECF No. 1. He asserts the warrants should be unsealed as evidence United States engaged in “a fraudulent scheme designed to conceal the origins of the evidence presented at [his] trial,” in part by “obtain[ing] search warrants and [sitting] Grand Juries in judicial districts around the country without any intent of bringing process in those districts.” *Id.* He asserts he learned of two search warrants obtained on May 2, 2008 and August 21, 2008, in this district, which remain sealed.

White’s allegations and arguments alleging government misconduct are without merit for the reasons set forth in the United States’ Response to Unseal Grand Jury proceedings, filed on February 23, 2021, in Case Numbers 7:20MC00002 and 7:20MC00026. Nonetheless, after review of the warrants, the United States has determined it has no objection to unsealing redacted versions of the warrants and accompanying affidavits and will move to do so separately in the respective matters, Case Numbers 7:08MJ214 and 7:08MJ394.

Respectfully submitted,

DANIEL P. BUBAR  
Acting United States Attorney
